**LUXURY ISN'T
JUST ABOUT
DESIGN IT'S
ABOUT
EFFORTLESS
LIVING.**

Experience the power of Luxora

TRUE LUXURY IS EFFORTLESS

HANDS-FREE CONTROL

Voice-activated automation through Alexa, Google Assistant, or Siri

ONE-TOUCH AMBIANCE

Pre-set 'Morning,' 'Relax,' or 'Party' scenes that instantly adjust lights, temperature, and music

NO MORE MANUAL ADJUSTMENTS

AI remembers your preferences—adjusting curtains, lighting, and AC without you lifting a finger

EFFORTLESS HOME CINEMA & ENTERTAINMENT

One command turns on the projector, dims the lights, and plays your favorite movie.

SAFETY WITHOUT COMPROMISE

LUXORA

Solution AI-powered facial recognition verifies the visitor, and a one-tap app control grants access or denies entry remotely

Residential Security Products Used

Smart Door Locks Biometric, RFID, and remote app access

AI-Powered CCTV & Video Doorbells
Facial recognition & motion sensing

Smart Alarm System Instant intruder alerts with silent mode

Automated Gates & Garage Control Keyless and remote access

LUXORA
